

CENTRAL CATHOLIC
HIGH SCHOOL

Job Posting – Campus Minister

At Central Catholic High School, we believe that transformation is at the heart of everything we do. We strive to form young women and men into their individual best each and every day. Do you want to interact with students on a personal level? Do you want students to know they are cared for and that God has a plan for them? Do you love to work with a diverse group of students? Central Catholic High School, located in Toledo, Ohio, is a dynamic co-educational school. We are looking to transform lives through the campus ministry office with the hiring of a full time Campus Minister for the 2024-2025 school year. We believe that each student that comes to us is made in the image and likeness of Christ and therefore is a child of God. Our goal is to transform these young women and men into outstanding leaders in our families, communities, and the Church.

This position would involve being present for our students throughout the school year, with activities/retreats that take place overnight and some additional days over weekends and summer break. Core responsibilities include the planning and execution of the comprehensive retreat program, planning liturgical and other faith events, finding service and community experiences for students, and other related activities. Benefits offered include health and dental insurance, retirement plan, 403(b), life insurance, and tuition discount. Successful candidates must have a bachelor's degree and clear FBI and BCI background checks. Preference will be given to those currently active in current ministry, or have recent directly related experience. Candidates must also be highly motivated, proactive, energetic, and demonstrate the ability to work cooperatively. Interested individuals should send a resume including salary requirements and cover letter to jobs@centralcatholic.org.
